Subs. It is not clear whether Bye law VII is not superfluous. A kneading table is furniture & according to Bye law ~~of~~ III it has to be kept clean

Under Byelaw 2(b) of the Trichur Byelaws it is enjoined that a sufficient quantity of water should be kept in stock in the premises A similar provision may perhaps be necessary in these byelaws as the water stocked may also be useful in case of fire accidents in the premises

The byelaws have not been very carefully compared with the Trichur byelaws several of the subclauses seems to require additions to be added & Corrections to be made

Subs Additions have been made & put up

The byelaws may be approved with the omissions pointed out above and additions made thereto in accordance with similar byelaws of the Trichur Municipality
